

POSTGRADUATE COURSES

2025 SCHEDULE OF FEES

Version Date: 23 October 2024

This fee schedule sets out the tuition and non-tuition fees payable by domestic students and international students who do not require a Student Visa (subclass 500) for subjects undertaken during 2025. Unless otherwise stated, all subjects are delivered in accordance with the trimester dates shown below. Students that withdraw from a subject ahead of the relevant census date will not be charged a tuition fee for that subject. Some subjects will only be offered if there is sufficient student demand at the respective campus location.

	Start Date	Census Date	End Date
Trimester 1	3 FEBRUARY 2025	19 FEBRUARY 2025	18 APRIL 2025
Trimester 2	26 MAY 2025	11 JUNE 2025	8 AUGUST 2025
Trimester 3	15 SEPTEMBER 2025	1 OCTOBER 2025	28 NOVEMBER 2025

FUTURE STUDY PERIODS

Ikon updates its fee schedule in September of each year, for the following academic year. An update to this schedule will then be published for the following academic year. Fee increases are typically implemented each year to cover increased delivery costs. Course costs are expressed by Ikon as indicative only and subject to change, but once published remain in place for a 12-month period.

If a student enrolls into subjects that are due to be delivered beyond the period of the current fee schedule (e.g. beyond 2025), such students should be aware that the tuition fees for that period will have its own schedule, that relates to that time period.
