

UNDERGRADUATE COURSES – INTERNATIONAL STUDENTS

2025 SCHEDULE OF FEES

Version Date: 23 October 2024

This fee schedule sets out the tuition and non-tuition fees payable by international students for subjects undertaken during 2025. International students that withdraw from a subject ahead of the relevant start date will not be charged a tuition fee for that subject.

Ikon offers international students Pay-by-Trimester and Pay-by-Month (continuing students only) payment options. Continuing students can select their preferred payment method ahead of the start of each trimester. The change of payment method request form must be submitted no later than 3 weeks prior to the start of the teaching period of the relevant trimester.

Unless otherwise stated, all subjects are delivered in accordance with the trimester dates shown below. Some subjects will only be offered if there is sufficient student demand at the respective campus location.

	Start Date	Census Date	End Date
Trimester 1	3 FEBRUARY 2025	19 FEBRUARY 2025	18 APRIL 2025
Trimester 2	26 MAY 2025	11 JUNE 2025	8 AUGUST 2025
Trimester 3	15 SEPTEMBER 2025	1 OCTOBER 2025	28 NOVEMBER 2025

FUTURE STUDY PERIODS

Ikon updates its fee schedule in September of each year, for the following academic year. An update to this schedule will then be published for the following academic year. Fee increases are typically implemented each year to cover increased delivery cost. Course costs are expressed by Ikon as indicative only and subject to change, but once published remain in place for a 12-month period.

If a student enrolls into subjects that are due to be delivered beyond the period of the current fee schedule (e.g. beyond 2025), such students should be aware that the tuition fees for that period will have its own schedule, that relates to that time period.

RETREAT/ INTENSIVE SUBJECTS

These subjects comprise of some pre-work classes, a 5-7 day intensive of full day classes and a wrap-up class. The retreat or intensive format allows for a concentrated and total immersion in the learning material. Students will have the opportunity to think deeply and reflect widely on the concepts communicated, allowing for rich discoveries. Retreats are delivered offsite in locations designed to complement the learning objectives. Intensives are delivered onsite (Melbourne or Sydney Campus). Both are delivered during the traditional trimester break.

Please note that there are additional costs associated with these subjects for accommodation, food, and/or travel. If these are arranged by Ikon, they will be charged back to you. For the retreats, these are estimated at \$1,200 per student. Travel to the venues is not arranged by Ikon.
