

2023 Schedule of Fees.

This fee schedule sets out the tuition fees payable by domestic and international students for subjects undertaken during 2023. Unless otherwise stated, all subjects are delivered in accordance with the trimester dates shown below.

Some subjects will only be offered if there is sufficient student demand at the respective campus location. Students that withdraw from a subject ahead of the relevant census date will not be charged a tuition fee for that subject.

	Start Date	Census Date	End Date
Trimester 1	6 FEBRUARY 2023	22 FEBRUARY 2023	28 APRIL 2023
Trimester 2	22 MAY 2023	7 JUNE 2023	11 AUGUST 2023
Trimester 3	4 SEPTEMBER 2023	20 SEPTEMBER 2023	17 NOVEMBER 2023

FUTURE STUDY PERIODS

Ikon updates its fee schedule in September of each year, for the following academic year. An update to this schedule will then be published for the following academic year.

Fee increases are typically implemented each year to cover increased delivery cost where those apply. Course costs are expressed by Ikon as indicative only and subject to change, but once published remain in place for a 12-month period.

If a student enrolls into subjects that are due to be delivered beyond the period of the current fee schedule (e.g. beyond 2023), such students should be aware that the tuition fees for that period will have its own schedule, that relates to that time period.
