

# 2024 Schedule of Fees

This fee schedule sets out the tuition fees payable by domestic and international students for subjects undertaken during 2024. Unless otherwise stated, all subjects are delivered in accordance with the trimester dates shown below.

Some subjects will only be offered if there is sufficient student demand at the respective campus location. Domestic Students that withdraw from a subject ahead of the relevant census date will not be charged a tuition fee for that subject.

	Start Date	Census Date	End Date
Trimester 1	5 FEBRUARY 2024	21 FEBRUARY 2024	26 APRIL 2024
Trimester 2	27 MAY 2024	12 JUNE 2024	16 AUGUST 2024
Trimester 3	16 SEPTEMBER 2024	2 OCTOBER 2024	6 DECEMBER 2024

## FUTURE STUDY PERIODS

Ikon updates its fee schedule in September of each year, for the following academic year. An update to this schedule will then be published for the following academic year.

Fee increases are typically implemented each year to cover increased delivery cost where those apply. Course costs are expressed by Ikon as indicative only and subject to change, but once published remain in place for a 12-month period.

If a student enrolls into subjects that are due to be delivered beyond the period of the current fee schedule (e.g. beyond 2024), such students should be aware that the tuition fees for that period will have its own schedule, that relates to that time period.
